SUMMER 2011 STUDENTS: Summer 2011 students will be given preference through August 8. All other students will be assigned to class August 9. Registrations received will be dated and available spots filled in the order in which they were received. Your student registration and insurance fees are due one (1) year from the date you began classes.

FORMER STUDENTS (Did not attend Summer 2011): Payment for classes and fees due must be sent with registrations and should be sent in as soon as possible. Registrations are dated when received and available spots are filled in date order. Your student registration and insurance fees are due one (1) year from the date you began classes.
